and disability resources and relevant data to improve Public Safety Power Shutoff (PSPS) events and COVID-19 response.

Joint Information Center (JIC)

- CDPH released the most recent statistics on COVID-19 on [August 10, 2021](#). This information may be found on the CDPH OPA News Release webpage here: <https://www.cdph.ca.gov/Programs/OPA/Pages/News-Releases-2021.aspx>
- CDPH received and responded to multiple media inquiries on COVID-19. The topics include:
 - Cost and plans for testing K-12 students.
 - Community Wellness America testing investigation.
 - Problems finding Digital Vaccine Records.
 - Vaccination mandate apply to prison hospitals.
 - Plans to mitigate school outbreaks.
 - Lambda variant.
 - Antigen testing in schools.
 - Vaccination progress.
 - COVID case totals.
 - Health care workers protest vaccine mandates.
 - Consequences for health care workers not getting vaccinated.
 - Reason for the health care worker vaccine mandate.
 - Clarification on the public health order.
 - Enforcement/punishment of the public health order.
 - Exemptions for the vaccine mandate.
 - COVID infection rates in Bay Area schools.
 - Health care facility visitation order.
 - Breakthrough/post-vaccination cases.
 - Proof of vaccination for visitors to health care facilities.
 - Previous requirement for health care workers to be tested still in effect.
 - School masking mandate private/public and exemptions.
 - CA Notify app, users, and alerts.
 - Orange County and School masking lawsuits.
 - Reporting outbreaks in schools.
 - Testing in schools Delta variant.
 - Wildfire smoke contributing to COVID-19 deaths.
 - Number of workers affected by the health order.
 - Religious exemption to vaccine mandate.
 - COVID cases by age groups.
 - Increase in vaccine doses administered.
 - Guidance for social activities.
 - Delta variant.
 - Demand for Johnson & Johnson vaccine.
 - Sectors requiring mandatory vaccination.
 - Updated case rates for vaccinated and unvaccinated patients.
 - Youth sports guidance.
 - Vaccine mandate in schools.
 - Investigating complaints against schools from teachers and parents.
 - Potential lockdown.
 - Vaccination progress.
 - Protocol when a COVID case is identified at school.
 - Who pays for COVID testing.
 - Childhood vaccination rates.
 - Delta Plus.
 - Mass testing sites.

Cost Recovery Taskforce

- The Cost Recovery Task Force continues to meet weekly with the Department of Finance (DOF) to allocate funding streams appropriately in an effort to help California recover from the pandemic. Participating agencies within the Task Force continue to work closely with Cal OES and DOF to identify eligible expenditures, establish reimbursement priorities, determine the appropriate allocation of the Coronavirus Relief Funds, and actively submit costs for FEMA reimbursement.
- As of August 9, 2021, state agencies have received approximately \$2.2 billion in reimbursement from FEMA.

Public Health and Medical Task Force (ESF 8)

California Department of Public Health (CDPH)

- MHCC received a total of 20,507 (+373) resource requests and a total of 39,188 (+453) inquiries from public citizens, local health jurisdictions, and healthcare facilities. The number of inquiries listed is a total of the Maximus Call Center and MHCC inquiry counts combined. The public phone number for incoming inquiries is 833-422-4255.
- Center for Healthcare Quality (CHCQ) has received three salesforce requests.
- CHCQ will be participating in the reformed Multi-Agency Coordination (MAC) Group.

Guidance

- CDPH released the following All Facilities Letter (AFL) via California Health Alert Network:
 - AFL 20-53.5 COVID-19 Mitigation Plan Recommendations for Testing of Health Care Personnel and Residents at Skilled Nursing Facilities. This AFL revision includes reference to the July 26, 2021 Public Health Order requiring SARS-CoV-2 diagnostic screening testing for Skilled Nursing Facility HCP that are unvaccinated or incompletely vaccinated.
 - AFL 21-27 COVID-19 Testing, Vaccination Verification and Personal Protective Equipment (PPE) for Health Care Personnel (HCP) at General Acute Care Hospitals. This AFL requires hospitals to develop and implement processes for verifying the vaccination status of all HCP and for obtaining and tracking documentation of results of SARS-CoV-2 diagnostic screening testing from HCP who are unvaccinated or incompletely vaccinated and includes additional PPE requirements. These requirements became effective August 9, 2021 and should begin as soon as reasonably possible, with full compliance no later than August 23, 2021.
 - AFL 21-28 COVID-19 Testing, Vaccination Verification and Personal Protective Equipment (PPE) for Health Care Personnel (HCP) at Skilled Nursing Facilities (SNF). This AFL requires SNFs to develop and implement processes for verifying the vaccination status of all HCP and for obtaining and tracking documentation of results of SARS-CoV-2 diagnostic screening testing from HCP who are unvaccinated or incompletely vaccinated and includes additional PPE requirements. These requirements became effective August 9, 2021 and should begin as soon as reasonably possible, with full compliance no later than August 23, 2021.
 - AFL 21-29 COVID-19 Testing, Vaccination Verification and Personal Protective Equipment for Health Care Personnel (HCP) at Health Care Facilities. This AFL requires weekly SARS-CoV-2 diagnostic screening testing for HCP that are unvaccinated or incompletely vaccinated working the above specified in health care facilities. Facilities must develop and implement processes for verifying the vaccination status of all HCP, and for obtaining and tracking documentation of results of weekly SARS-CoV-2 diagnostic screening testing from HCP who are unvaccinated or

incompletely vaccinated as soon as reasonably possible with full compliance no later than August 23, 2021.

- AFL 21-30 COVID-19 Testing, Vaccination Verification and Personal Protective Equipment for Health Care Personnel (HCP) at the Various Types of Intermediate Care Facilities. This AFL requires twice-weekly SARS-CoV-2 diagnostic screening testing for HCP that are unvaccinated or incompletely vaccinated. Facilities must develop and implement processes for verifying the vaccination status of all HCP, and for obtaining and tracking documentation of results of weekly SARS-CoV-2 diagnostic screening testing from HCP who are not fully vaccinated when reasonably possible with full compliance no later than August 23, 2021.
- AFL 20-88.2 COVID-19 Testing Recommendations for Patients and Health Care Personnel (HCP) at General Acute Care Hospitals. This AFL supersedes AFL 20-88.1, and provides updated recommendations from the CDPH for weekly SARS-CoV-2 diagnostic screening testing for HCP in hospitals, and recommendations for the testing of newly admitted patients. This revision adds reference to the July 26, 2021 Public Health Order requiring diagnostic screening testing of unvaccinated and incompletely vaccinated HCP.
- The following guidances have been updated and/or posted to the CDPH webpage:
 - State Public Health Order Requirements for Visitors in Acute Health Care and Long Term Care Settings
 - State Public Health Order Health Care Worker Vaccine Requirement
 - Health Care Worker Protections in High Risk Settings State Public Health Order FAQ

Emergency Medical Services Authority (EMSA)

- EMSA is deploying medical equipment and supplies to healthcare facilities throughout the state as requested.
- EMSA is providing medical first aid, screenings, and vaccinations to support the border communities at sites in Imperial and San Diego counties.
- EMSA continues to provide support for statewide vaccinations as requested.
- EMSA continues to work with the regions and counties to recover deployed biomedical equipment no longer in use throughout California.
- EMSA continues to verify medical licenses and process out-of-state medical personnel as requested by hospitals and contract agencies to assist California's COVID response. Please send out-of-state requests for license verification to Covid19@emsa.ca.gov.

Department of Health Care Services (DHCS)

- Update for NewsFlash entitled "Temporary Increased COVID-19 Durable Medical Equipment Oxygen and Respiratory Rates" pending approval. Estimated time of published approval is September 8, 2021.

Department of State Hospitals (DSH)

DSH COVID-19 Testing

Vaccine Task Force

Statewide Vaccine Efforts as of **August 9 2021**, at 2359 hours:

Statewide Vaccine Efforts	
Administered as of 8/10	44,779,047 (+596,559)
Average doses per day 8/10	73,868 (+4,697)
People partially vaccinated	3,362,533 (+110,549)

Volunteers and Donations Task Force as of August 10, 2021

Contributions Workgroup Updates - Salesforce Contributions Portal:

Solicitation Offers from 8/3/21 to 8/10/21	Donation Offers from 8/3/21 to 8/10/21	Resource Procurement and Donation Focused Emails from 8/3/21 to 8/10/21	PPE Request from Trade Associations
3 (+1)	1 (+1)	5	1,300

- Salesforce Contributions Portal:
 - Portal received **3** solicitation offers and **1** donation offer between 1300 on August 3 and August 10.
- Received **5** procurement and donation focused emails between 1300 on August 3 and August 10.

Workforce Development and Surge Capacity Task Force

- LWDA coordinating with local workforce development boards in priority areas (listed below) to support food bank staffing
 - Riverside
 - Imperial Valley
 - Napa
 - Santa Cruz
 - Sonoma
 - Los Angeles
 - Stockton
 - Kern
 - Monterey
 - Amador
- EDD preparing outreach and services in advance of expiration of federal unemployment insurance benefits in September
- LWDA, EDD, and State Library coordinating on second round of funding to support library-workforce board partnerships around the state

County Reports

Amador

- Investigating new cases at Mule Creek State Prison.
- OptumServe testing facility at capacity, requesting additional resources to increase days to 12 hours.

Butte

- Experiencing a surge and anticipating it to continue into Fall 2021 due to students returning to in-person learning.
- Butte County is seeing an increase in community spread and outbreaks of COVID-19, and local Hospitals are having an increase in hospitalized COVID-19 patients.

Lake

- Hospitals and SNFs are doing well managing their patients and staff; Public Health is preparing to provide patient transfer support.
- The recent outbreaks over the last few weeks has overwhelmed Public Health's case investigation capacity. Requesting assistance from the State for more contact tracers to assist with case investigations.

Situation Report – FOR OFFICIAL USE ONLY

Coronavirus Disease 2019 (COVID-19)

Report Date:

8/3/2021

Report Time:

1700

- Both local hospitals reported that their Intensive Care Units are full; currently there are 18 COVID-19 patients hospitalized locally.
- OptumServe testing and vaccine services continue to be offered at the Lower Lake Town Hall site.

San Francisco

- The City's Mobile Vaccine Unit launched a new "Vax to You" effort to vaccinate small groups of 5 to 12 people in their homes and workplaces by appointment, which can be made by calling (628) 652-2700, emailing sfvaxnow@sfdph.org, or on sf.gov/vaxtoyou. The vaccine is free and nurses will be onsite to answer questions.
- On August 3, 2021, the Center for Disease Control issued a new order temporarily halting evictions in counties with heightened levels of community transmission. The order is effective August 3, 2021 through October 3, 2021, subject to revisions based on changing public health landscape.
- San Francisco International Airport (SFO) and CDPH Launch Free COVID Testing Program for Arriving International Passengers. Testing has been extended two weeks and will run through August 20, 2021.

Yolo

- Monitoring the impact of un-vaccinated individuals, specifically the increase in positive rate, hospitalizations, 9-1-1 volume and wait times.
